1 A Randy, I don't know.
 2 Q How was it that you came to own that stock,
 3 Mr. Hecker?
 4 A Paid for it.
 5 Q How much did you pay for it when you bought it?
 6 A I don't know. It may sound naive, but I don't
 7 know.
 8 Q Did you have an opinion as to what you thought
 9 the stock was worth when you transferred it back
 10 to Venture Bank?
 11 A Eric Dove negotiated that transaction.
 12 Q Okay. Did you have an opinion, though, as to the
 13 value of it?
 14 A Being the seller, I always thought it was worth
 15 more than they gave you, so my opinion was always
 16 higher than reality.
 17 Q Sure. And I'm just asking for your opinion.
 18 Whatever it's worth, it's worth. I'm just trying
 19 to get a rough idea here. Are we talking
 20 hundreds of thousand, tens of thousands?
 21 A Ten to 25,000 more approximately.
 22 Q Okay. What business dealings have you had in
 23 which Mike Givens has been involved?
 24 A A number of pieces of property.
 25 Q Tell me what those are, as best you can recall.

1 A Yes.
 2 Q Who was that someone?
 3 A Mike Zenk.
 4 Q How do you spell that last name; do you know?
 5 MR. CUTLER: Z-E-N-K.
 6 THE WITNESS: Okay.
 7 MR. SKOLNICK: We'll go with that.
 8 BY MR. SEAVER:
 9 Q Then farther down at this item -- Let me finish
 10 that off. So there's a group of documents that
 11 Venture Bank would have that would set forth what
 12 happened in this transaction?
 13 A Correct.
 14 Q Okay. Do you remember roughly what the reduction
 15 in debt they gave you was? Again, I'm looking
 16 for tens of thousands or hundreds?
 17 A Zero to 15, I think.
 18 Q Zero to 50,000, in --
 19 A Uh-huh.
 20 Q -- that range?
 21 A Uh-huh.
 22 THE REPORTER: Is that yes or no.
 23 please?
 24 THE WITNESS: Yes.
 25 BY MR SEAVER:

1 A The Mikden properties. I believe that he already
 2 made a deal with them.
 3 Q Which Mikden property? Well --
 4 A There's about six or seven of them.
 5 Q And they're all listed in here (indicating).
 6 right? By here I mean there's a long list --
 7 A I believe so, yes.
 8 Q Okay. Now, what's his involvement with Venture
 9 Bank?
 10 A He's the guy that talked me into buying the stock
 11 in the bank. He had stock in the bank too.
 12 Q Is he on the board of directors --
 13 A I don't know.
 14 Q -- or is he --
 15 A I don't know.
 16 Q Don't know? Okay. Do you have any idea of what
 17 his involvement is, if any, with Venture Bank?
 18 A I don't know.
 19 Q But is it Mike Givens that -- Well, when this
 20 transaction by which the stock went back to
 21 Venture Bank that's disclosed here at Item 10,
 22 was Mike Givens involved in those discussions at
 23 all?
 24 A I don't believe directly.
 25 Q It was someone from the bank?

1 Q And then a little farther down there's Bremer
 2 Bank and it says Return of bank stock granted to
 3 debtor, as director, \$2,000 in value. Were you a
 4 director of Bremer Bank?
 5 A I was called the director. I believe they have
 6 two forms of directors: They have the director
 7 of the bank and the community director. And the
 8 directors of the bank were the holding company
 9 that made all the decisions. The director I was,
 10 was four or five other people from the community
 11 that gave our opinions and reviewed the
 12 operations with the local management of the
 13 Minneapolis area but had no decision-making
 14 authority. Maybe more of an advisory directory
 15 role.
 16 Q Who was it at Bremer Bank that brought you in in
 17 that capacity?
 18 A Steve Meads.
 19 Q Still on this same Exhibit 8, if you turn to page
 20 89, down at the bottom it's property held for
 21 another person. And it says Northstate Financial
 22 Corp., boats, inventory, et cetera, with 150,000
 23 value held for resale and securing 1.5 million
 24 debt to Bremer Bank.
 25 What boats were being held for

1 Northstate Financial?
 2 A There's a specific list that added up to about
 3 150,000. You should have a copy of that.
 4 Q Was there a specific list that you prepared?
 5 A Yes. There is a list with the estimated values
 6 of about 150.
 7 Q Okay.
 8 A I'm sure you have it forwarded to you.
 9 Q Who prepared the list?
 10 A Chip Lohmiller, Sue, myself.
 11 Q Okay. When was that list prepared? I'm trying
 12 to put this in perspective of your bankruptcy.
 13 A I think there was a list put together almost
 14 annually. There was one in June of '08, April of
 15 '09, maybe June of '09.
 16 Q Would that be the inventory list Chip Lohmiller
 17 would put together up there?
 18 A In part, yes.
 19 Q Okay. Is that the list that you're referring to
 20 or is there some other list that would have all
 21 of these things --
 22 A I thought there was a more detailed list.
 23 MR. SEAVER: All right. Let's go off
 24 the record for a minute.
 25 (Discussion held off the record.)

1 BY MR. SEAVER:
 2 Q Back on the record. While we were off I was just
 3 asking Clint informally if he thought they had
 4 the list over there, and then you said you
 5 thought there was a list that said MSO on it and
 6 some other things. What does MSO mean?
 7 A It stands for Manufacture's Statement of Origin.
 8 It's like a title.
 9 Q So there's a list that would have the property
 10 name, whatever the Northstate property is --
 11 A A description.
 12 Q Okay. And then a column for the MSO?
 13 A The title, if it was registered, DNR number,
 14 value.
 15 Q And if it's still just an MSO, that means that
 16 it's never gone into, for title purposes, private
 17 ownership, right?
 18 A Correct.
 19 Q I think I know this, but to make sure I
 20 understand it, that certificate -- As long as the
 21 dealer is holding the vehicle, the title would
 22 stay that way. You'd have the certificate of
 23 origin. Then when the dealer sold the vehicle to
 24 Joe Smith, then there would be the transfer over
 25 to Joe of that certificate or statement of

1 origin?
 2 A A lot of those sport places do it different.
 3 Either they register it or hand the person the
 4 certificate, even if it's new or used or whatever
 5 the case might be.
 6 Q But, generally speaking, if there was no
 7 Certificate of Title and it was still the origin
 8 certificate, that would mean that it hadn't been
 9 titled in a private individual?
 10 A Or it didn't come with a certificate. Some of
 11 them just came just Bill of Sale.
 12 Q Okay. Still at this page 89 here, on the safe
 13 deposit boxes there's one that you held jointly
 14 with Chip Lohmiller, correct?
 15 A Yes.
 16 Q Were you ever actually personally in that; did
 17 you ever visit that box?
 18 A I don't believe so.
 19 Q And tell me the story of the cash deposited into
 20 that box, why it was and what happened to it? I
 21 realize that's a compound question.
 22 A It's a paragraph.
 23 MR. CUTLER: Sounds like it calls for a
 24 narrative.
 25 BY MR. SEAVER:

1 Q That's what I'm asking for, actually.
 2 A Basically there was a charity event that offered
 3 a hole-in-one value for -- somebody winning a
 4 grand prize for a hole in one. It was insured,
 5 and they asked if somebody could provide the
 6 \$50,000 in case somebody won that day, they could
 7 hand them the \$50,000. So however it worked out
 8 I provided the \$50,000. Nobody won the 50,000.
 9 Chip put it in a safe deposit box and that's
 10 where it stayed. He had access to it and so did
 11 I.
 12 Q Did you ever actually go there, though, to get
 13 access to it?
 14 A I don't believe I did. I don't believe I had a
 15 key either.
 16 Q And then the Statement of Financial Affairs says
 17 that it was surrendered or transferred or
 18 surrendered in March of '09. Did there come a
 19 time in the spring of '09 where you had Chip go
 20 in there and get whatever remaining cash was in
 21 there and deliver it to you?
 22 A I believe there was about 25 or 30,000 in the
 23 spring of '09.
 24 Q And did he deliver that money to you?
 25 A Yes, he did.

1 Q The April trip to Las Vegas that we spoke about
 2 briefly, that -- how long was that trip, three,
 3 four days?
 4 A Probably four days.
 5 Q Okay. And that was the only one in April, right?
 6 A Yes.
 7 Q All right.
 8 MR. SEAVER: Would you mark this,
 9 please.
 10 (Hecker Exhibit 16 was marked for
 11 identification by the court reporter.)
 12 BY MR. SEAVER:
 13 Q This Exhibit 16, Mr. Hecker, that I just had put
 14 in front of you, it says DEH Items and Associated
 15 Registration. Is this the list that you were
 16 talking about before?
 17 A This is one of two or three.
 18 Q Okay. Did you have Sue Miller prepare a few
 19 different ones?
 20 A Sue prepared one that was inaccurate, and Chip
 21 and I went through it and kind of went through
 22 her deficiencies and what the problems were.
 23 Q Is this the final version after you and Chip went
 24 through it?
 25 A No.

1 Q Was there another one after that?
 2 A Yes.
 3 Q It's not in front of you, obviously, but would it
 4 have a date after April 8 --
 5 A Yes, it would.
 6 Q -- or after April 9, I meant to say?
 7 A Yes.
 8 (Hecker Exhibit 17 was marked for
 9 identification by the court reporter.)
 10 BY MR. SEAVER:
 11 Q All right. Now, Exhibit 17, is this the first
 12 one Sue Miller prepared that was inaccurate?
 13 A No, I don't believe so.
 14 Q It says 4/8 up there and says, from Susan
 15 Miller. Have you seen this list before?
 16 A Sue was really good at putting lists together,
 17 but her scheduling schedules -- or her
 18 definitions and accuracy over the last 15 years
 19 are somewhat --
 20 MR. CUTLER: But the question was --
 21 BY MR. SEAVER:
 22 Q I'm not asking about accuracy. I'm just asking
 23 if you've seen this list before?
 24 A Oh, yeah, sure.
 25 Q And is this one of the lists you went through and

1 found errors by Sue Miller?
 2 A One of them, yes.
 3 Q Okay. So then there was that one, then there's
 4 Exhibit 16, and then after that there will be one
 5 that's dated April 10 or after that will be the
 6 one you and Chip went through?
 7 A There were some that were last year, '08, '07,
 8 '06.
 9 Q Let's just focus on from April 1st to right now
 10 or to your bankruptcy filing. So we have the
 11 April 8, we have the April 9, and then there will
 12 be -- is it one after that, you think --
 13 A There may be one or two more.
 14 Q Okay. And did you sit down with Chip after Susan
 15 had done this April 8 one and go through it or
 16 did the conversation with him happen later?
 17 A Well, Sue and Chip kind of had this secret
 18 dialogue all the time about who wanted to buy
 19 what and what was going on, so, actually, I did a
 20 physical inventory of what was there and went
 21 over that with Chip and then shared that with
 22 Sue.
 23 Q Okay. And that would have occurred when, your
 24 physical inventory?
 25 A Sometime in June.

1 Q June of '09?
 2 A Yes. And I would have done one in the fall
 3 of '08.
 4 Q You personally?
 5 A Yes.
 6 Q Okay. The one in June of '09, would you have
 7 done that just before the filing?
 8 A Yes.
 9 Q Okay. And is that written?
 10 A Yes.
 11 Q And do you have a copy of that?
 12 A I believe I do.
 13 Q Would you send it on to Clint or Bill, whichever?
 14 A If he does not have it, I will.
 15 Q Okay, great. And then there was an inventory
 16 that you did in the fall of '08 too; is that what
 17 you're saying?
 18 A Yes.
 19 Q Okay. And that was a physical inventory done by
 20 you personally?
 21 A Yes.
 22 Q Okay. Now, back at Exhibit 8, that's the -- that
 23 is the schedules in this case. I'll just turn to
 24 page 89, which is in the Statement of Financial
 25 Affairs. And I'm going to draw your attention to

1 the Northstate stuff again. It says that the
 2 boats and inventory, et cetera, it says that
 3 they're held for resale. Do you see that?
 4 A Yes.
 5 Q All right. Look at Exhibits 17 and 16. And I
 6 understand what you've said about them not being
 7 completely accurate, but can you look at -- Let's
 8 start with 17. Can you look at that and tell me
 9 which of those items were being held by
 10 Northstate for resale when you filed bankruptcy?
 11 MR. SEAVER: Do you want me to rephrase
 12 that?
 13 MR. CUTLER: Well, you said that were
 14 held by Northstate, but this is the information
 15 that the debtor is holding property of another
 16 person, right, so isn't it backwards? It's
 17 property that he's holding that belongs to
 18 Northstate.
 19 BY MR. SEAVER:
 20 Q That's what I meant to say. Let me rephrase it.
 21 Item 14 talks about boats, inventory, et cetera,
 22 that you're holding for resale, or is it
 23 Northstate that's holding it for resale?
 24 A Northstate would be holding it for resale.
 25 Q It was in your possession?

1 A Yes.
 2 Q But Northstate was holding it for resale?
 3 A Yes.
 4 Q Okay. On this Exhibit 17 can you point out to me
 5 the items here that were being held by Northstate
 6 for resale when you filed bankruptcy?
 7 A If I had the most current list that we had, I had
 8 it all broken down by -- I would be guessing at
 9 the moment. There's several items on the sheet
 10 and I wouldn't want to be guessing. I believe
 11 that we have the schedule from June before the
 12 bankruptcy that could show and clearly define
 13 which is which.
 14 Q Well, the 1994 Heritage Classic motorcycle, was
 15 that titled in Northstate?
 16 A The sheet that I have -- Excuse me. I don't want
 17 to not answer your question. The sheet that we
 18 have has the individual piece of -- individual
 19 items, serial numbers, whose name it was held in
 20 and how long it's been held.
 21 Q Well, you only had one 1994 Harley motorcycle,
 22 right?
 23 A Yes.
 24 Q All right. Whose was it, yours or Northstate's?
 25 A I don't have the sheet in front of me, Randy,

1 that shows whose name is on the title or the copy
 2 of the --
 3 Q Okay.
 4 A I would like to be able to have the document. It
 5 reads itself. It ties to the title and ties to
 6 everything. I would be -- If today right now you
 7 asked me, I'd be guessing.
 8 Q Well, if it had been owned by you personally when
 9 you filed bankruptcy, you would have listed it in
 10 Schedule B, wouldn't you?
 11 A I believe so, because I didn't list anything that
 12 I owned in Schedule B.
 13 Q Maybe you didn't understand. Schedule B calls
 14 for a disclosure of ownership of various items.
 15 If you personally had owned the 1994 motorcycle
 16 Heritage Classic, you would have listed it in
 17 Schedule B, wouldn't you?
 18 A Maybe -- Let me try one more bite at the apple
 19 here.
 20 Q No. Just answer the question. If you owned it,
 21 you would have disclosed --
 22 A I'm not sure I did own it, that's the problem. I
 23 don't know the answer because when Sue Miller put
 24 this together, she assumed a number of things.
 25 Q Okay. Let me try and break my question down a

1 little bit more. In the schedules, Schedule B,
 2 you did list all of the property you owned,
 3 correct?
 4 A Schedule B is --
 5 Q Here, let me show you. Actually, it's Exhibit
 6 Number -- or, I'm sorry, it's Exhibit 8, but it's
 7 Item Number 25 at Schedule B. It asks for a list
 8 of automobiles, trucks, trailers, and other
 9 vehicles and accessories.
 10 A Okay.
 11 Q If you had owned -- If Dennis Hecker owned the
 12 1994 Harley Davidson at the time you filed
 13 bankruptcy, you would have listed it there,
 14 wouldn't you?
 15 MR. CUTLER: Well, I object to the form
 16 of the question. I think it's speculation.
 17 BY MR. SEAVER:
 18 Q Well, would you have told --
 19 MR. CUTLER: I think you're assuming
 20 that he knew that he owned the vehicle, and I
 21 think he's saying that he didn't know that he
 22 owned the vehicle.
 23 THE WITNESS: Or if I knew it.
 24 BY MR. SEAVER:
 25 Q So when you did your schedules, you didn't know
